PRESS RELEASE 2022-2023

ABOUT US

VICTORIA VLASOVA

Designer, architect,
bureau founder

Interior bureau Victoria Vlasova Interiors was founded in 2005, during which time more than 200 projects have been created. Among the completed projects are the interiors of apartments and private houses, premium offices, health centers and restaurants.

Victoria Vlasova, founder of the bureau - architect, interior designer, member of the Russian association ADDI and the British association of designers BIID, graduated from the State University of Land Management.

The bureau's works are published in key architecture and design magazines, such as AD and Elle Decoration, behind it participation in TV projects (several episodes of programs on NTV), awards in professional competitions, and presentations of their work at international exhibitions.

ABOUT US

The bureau's awards include European Property Awards Architecture. Best Architecture Single Residence Europe 2021-2022, Premium Living Professional Design Award 2020, International Design & Architecture Awards 2018, TOP 200 Elle Decoration, Top 100 best projects in Russia, etc.

Today, the company employs professional architects, visualizers and designers.

The bureau has extensive experience in designing premium interiors, while differing from many bureaus in its neoclassical style.

The interiors of Victoria Vlasova Interiors are always of exquisite beauty, high level, timeless, solid, and always full of warmth and comfort.

INTERNATIONAL MEMBER

OUR PROJECTS

We are happy to design home for you to make you enjoy life in comfort and well-being every day. Our experience allows us to work with the most extraordinary spaces. We are happy to develop the interiors of multi-level lofts and apartments with complicated geometry, interiors of country houses, cottages and townhouses.

FAQs

WHAT IS THE PHILOSOPHY OF VICTORIA VLASOVA INTERIORS?

We create timeless interiors, planning the space as efficiently as possible. Our credo is that the interior from Victoria Vlasova Interiors should serve for a long time.

WHAT DO MAKE YOUR PROJECTS UNIQUE?

Our projects are striking in their efficiency, they do not bother, our clients live in them for decades, enjoying the comfort we have created.

WHAT DO YOU LIKE BEST ABOUT WORKING ON PROJECTS?

Creating the perfect efficient floor plans and unique style for the customer.

HOW DO YOU SEE THE DEVELOPMENT OF VICTORIA VLASOVA INTERIORS?

The geography of our projects is developing. We are opening new branches in other countries. We create lines of our own furniture. We work with developers on the improvement of development projects and much more.
